PART I: DEFINITIONS

(Defined terms appear in italics throughout this policy.)

AGE. Means *your age on your last birthday*. When we use "age" followed by a number, such as *age 65*, we are referring to the policy anniversary on or after *your 65th birthday*.

BASE MONTHLY BENEFIT. Means the amount paid under the terms of this policy for each month *you are totally disabled* after the *elimination period*. This amount is shown on the *schedule*.

HOSPITAL. Means an institution licensed by law as a facility which:

- (1) is primarily engaged in providing in-patient medical care for diagnosis and treatment of *injuries* or *sickness*, and charges a fee for such care; and
- (2) is staffed by physicians on the premises; and
- (3) provides services by registered graduate nurses 24 hours a day.

In no event will this include any institution which is:

- (1) run mainly as a rest, nursing or convalescent home; or

- (3) is engaged in the education of its patients.

IN FORCE. Means premiums have been paid when due and *you* remain insured under the terms of this policy.

MENTAL/NERVOUS DISORDERS. Means any disorder (except dementia resulting from stroke, trauma, infections or degenerative diseases, such as Alzheimer's disease) classified in the Diagnostic and Statistical Manual of Mental Disorders (DSM), published by the American Psychiatric Association, most current as of the start of the period of disability. Such disorders include, but are not limited to, psychotic, emotional, or behavioral disorders, or disorders relatable to stress or to substance abuse or dependency. If the DSM is discontinued or replaced, these disorders will be those classified in the diagnostic manual then in use by the American Psychiatric Association as of the start of a period of disability.

OWNER. Means *you*, the insured, unless our records show otherwise. The rights of the owner are described in Part VI of this policy.

PHYSICIAN. Means a person (other than *you* a member of *your* family, a business or professional partner or any person with whom *you* share a financial or business interest) licensed by law in the state in which he or she practices and who is practicing within the scope of such license to treat *injury* or *sickness*. If a *loss* is due to *mental/nervous disorders*, the *physician* must be a board-certified psychiatrist or a licensed doctoral-level psychologist.

WE, OUR, US. Means The Union Central Life Insurance Company.

YOU, YOUR. Means the person insured under this policy as shown on the *schedule*.

PART II: BENEFIT PROVISIONS

BENEFIT FOR TOTAL DISABILITY. If your *total disability* begins while this policy is *in force*, we will pay the *base monthly benefit* shown on the *schedule* for each month you are *totally disabled* after the *elimination period*. Payments will not be made for more than the *maximum benefit period* shown on the *schedule*.

PHYSICIAN CARE REQUIREMENT. In order to be eligible for disability benefits or for us to waive premium under this policy, you must be under the regular care and treatment of a *physician* appropriate for the condition causing disability. If, in the opinion of that *physician*, continued medical treatment will not improve your condition, we will waive this requirement. However, waiving this physician care requirement does not change or affect our rights under the Proof of Loss and Medical Examination provisions in Part V of this policy.

SUCCESSIVE PERIODS OF TOTAL DISABILITY. Successive periods of *total disability* will be considered as one period if:

- (1) they are caused by the same or related conditions; and
- (2) they are separated by less than 365 days; and
- (3) they each begin while this policy is *in force*.

All other periods of *total disability* will be considered separate and not successive periods of *total disability*.

For successive periods of *total disability*:

- (1) you will not be required to satisfy a new *elimination period*, if already satisfied; and
- (2) the *maximum benefit period* will not start over; and
- (3) the accumulated successive periods of *total disability* cannot exceed the *maximum benefit period* shown on the *schedule*.

CONCURRENT DISABILITIES. Disabilities arising from more than one cause at the same time will be treated as a single disability and benefits will not exceed those that would have been paid for any one cause.

PRESUMPTIVE TOTAL DISABILITY. We will also consider you *totally disabled* if, while this policy is *in force*, you sustain the total loss of:

- (1) the sight in both eyes; or
- (2) the hearing in both ears; or
- (3) speech; or
- (4) the use of both hands; or
- (5) the use of both feet; or
- (6) the use of one hand and one foot.

Attempts to return to work of 365 days or less will not require a new elimination period to be satisfied and the maximum benefit period will not start over.

Presumes total disability for certain specific losses. Loss need not be permanent or irrecoverable.

We will pay the *base monthly benefit* shown on the *schedule* for each month you are *totally disabled* due to one of the specific losses shown above. Payments will not be made for more than the *maximum benefit period*. However:

- (1) benefits will begin to accrue from the date of the specific loss instead of after the *elimination period*; and
- (2) you may work at any occupation and still receive benefits; and
- (3) you must meet the Physician Care Requirement in Part II of this policy; and
- (4) *base monthly benefit* payments will end if the specific loss is recovered; and
- (5) *total disability* must begin while this policy is *in force*.

SURGICAL TRANSPLANT. While this policy is *in force*, if a *total disability* results from transplanting a part of your body to the body of another person, we will consider you *totally disabled* due to *sickness*, provided the transplant occurs more than six months after the *issue date*. In this instance, the *elimination period* will be waived.

COSMETIC SURGERY. While this policy is *in force*, if a *total disability* results from cosmetic surgery to correct a disfigurement or to improve your appearance, we will consider you *totally disabled* due to *sickness*, provided the cosmetic surgery occurs more than six months after the *issue date*.

REHABILITATION. We will not consider you recovered from a *total disability* just because you participate in a program of occupational rehabilitation. You may request or we may suggest that you participate in a formal, supervised rehabilitation program designed to help you return to an occupation.

If we mutually agree that such a program is appropriate, we will pay expenses as set forth in a signed, written agreement between you and us.

TREATMENT OF NONDISABLING INJURIES. If you suffer an *injury* while this policy is *in force* that requires medical treatment prescribed by a *physician*, or the repair to natural teeth prescribed by a *dentist*, we will pay the expense of such treatment:

- (1) only for expenses incurred while this policy is *in force* within 90 days from the *injury date*; and
- (2) only if a claim is submitted within 365 days from the *injury date*; and
- (3) provided no other benefits are payable under this policy or any of its riders.

We will pay you for such expenses up to the maximum amount shown on the *schedule* for this benefit subject to the following:

- (1) if you have one or more of our disability income policies providing this benefit, we will not pay more than a total of 100% of the expense incurred under all policies; and
- (2) if a nondisabling *injury* develops into a disability for which monthly disability benefits are paid, any benefits which have been paid under this provision will be offset against the monthly disability benefits.

WAIVER OF PREMIUM. You must continue to pay premium until your claim has been approved by us. We will waive any premium on this policy as it comes due, until *total disability* ends, beginning with the date your claim is approved but not before 90 days of continuous *total disability*. Once we start waiving premium, we will also refund any premium you have paid on or after the date you became *totally disabled*.

GOOD HEALTH BENEFIT. For every policy year you complete without receiving any benefits under this policy, we will reduce the *elimination periods* shown on the *schedule* by two days. In no case will this benefit reduce any *elimination period* to less than 30 days.

SURVIVOR BENEFIT. If you die after satisfying the *elimination period* and while monthly disability benefits are being paid under this policy, we will pay an additional three months of *base monthly benefit*, as shown on the *schedule*. This benefit is in addition to any other benefit of this policy. This benefit is payable to your designated beneficiary, if any, otherwise, to your estate.

You can work full-time and still receive benefits. No elimination period applies if you are disabled under this benefit.

Disability resulting from a transplant that occurs more than six months after the issue date is treated as a sickness and benefits are payable from the first day of disability.

Disability resulting from cosmetic surgery that occurs more than six months after the issue date is treated as a sickness and benefits are payable following the satisfaction of the elimination period.

To help you recover and return to work, disability benefits may be payable if you participate in an approved program of occupational rehabilitation. We may participate in the cost.

Reimburses medical expenses for a nondisabling injury. This is a per occurrence benefit.

Premium payments are waived upon approval of your claim, after you have been disabled for at least 90 days. Any premiums paid beginning with the date of disability will be refunded.

Elimination period will be reduced by two days for every year you complete without receiving benefits under the policy.

A valuable benefit that could pay three months of additional benefits upon your death.

COBRA PREMIUM BENEFIT. We will reimburse the premium paid by you for medical coverage provided under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 and any subsequent amendments, beginning with the first premium due after you satisfy the *elimination period* of this policy, not to exceed the COBRA maximum monthly benefit shown on the *schedule*, if:

- (1) you are receiving monthly disability benefits under this policy; and
- (2) you became unemployed due to your disability and, as a result, you are paying premium to continue medical coverage under that employer's health or medical plan as provided for under COBRA.

We will reimburse you for each month that you submit *proof* of the premium that you have paid for COBRA medical coverage, as long as you continue to receive monthly disability benefits under this policy, not to exceed the COBRA *maximum benefit period* shown on the *schedule*. All *proof* must be submitted within 365 days from the date the expense was incurred.

If you have one or more of our disability income policies providing this benefit, we will not pay more than 100% of the COBRA premium expense incurred monthly under all policies.

PART III: EXCEPTIONS/LIMITATIONS

WAR. Benefits are not payable for a *sickness, injury* or disability caused or contributed to by war, declared or undeclared, or any act or incident of war, or as a result of military service when scheduled active duty is more than three months.

SELF-INFLICTED INJURY. Benefits are not payable for *sickness, injury* or disability resulting from an intentionally self-inflicted *injury*.

INCARCERATION. Benefits are not payable during any period you are incarcerated.

LOSS OR SUSPENSION OF LICENSE. Except as a direct result of a *sickness* or *injury*, benefits are not payable if you are prevented from engaging in your occupation as the result of suspension, revocation, or surrender of your professional or occupational license or certification.

RESIDENCE. While you reside outside of the United States, we will not pay benefits for more than twelve months during the lifetime of this policy.

PREGNANCY. Benefits are not payable for normal pregnancy or childbirth until you have been disabled for 90 days.

MENTAL/NERVOUS DISORDERS, ALCOHOLISM, AND/OR DRUG ABUSE (MNDA). For each month you are *totally disabled*, we will not pay benefits for disabilities caused by or contributed to by *mental/nervous disorders*, alcoholism and/or drug abuse for more than the MNDA benefit period shown on the *schedule*, regardless of the *maximum benefit period* for *total disability* shown on the *schedule*. However, for each month you are *totally disabled*, we will pay benefits, subject to the *maximum benefit period* for *total disability* shown on the *schedule*, for loss caused by *mental/nervous disorders*, alcoholism and/or drug abuse for as long as you are thereby continuously confined in a *hospital* under the care of a *physician*.

PRE-EXISTING CONDITIONS. During the first 24 months following the *issue date* of this policy, we will pay benefits for disabilities caused or contributed to by a pre-existing condition only if that condition is:

- (1) fully disclosed and not misrepresented on this policy's application; and
- (2) not specifically excluded by name or specific description.

A pre-existing condition means any physical or mental condition for which, during the 24-month period preceding the *issue date* of this policy:

- (1) you have sought medical advice or treatment, undergone diagnostic procedures, or have been prescribed drugs or medication; or
- (2) a reasonably prudent person would have sought medical advice, care, or treatment.

If you become unemployed as a result of a disability, we may reimburse you for COBRA medical premiums paid not to exceed \$1000 per month for up to 18 months.

As long as pre-existing conditions have been fully disclosed and they are not specifically excluded, they will be covered.

PART IV: PREMIUM AND RENEWAL PROVISIONS

PAYMENT OF PREMIUMS. The first premium is due on the *policy date*. Subsequent premiums are payable on or before the date they are due. Premiums must be paid to us at *our client service office*. All premiums are payable in United States currency.

Your premium mode is shown on the *schedule*. *You* may request a change in the premium mode, subject to *our* approval. However, *you* may not change the mode of payment while receiving disability benefits.

If *we* accept a premium while this policy is *in force*, this policy will continue *in force* until the end of the period for which the premium was paid.

We will refund the unused portion of *your* premium in the event of *your* death.

GRACE PERIOD. A 31-day grace period is allowed for payment of premiums not paid on or before due dates. Coverage will continue *in force* during the grace period.

REINSTATEMENT. Within one year after this policy *lapses*, *we* will consider reinstatement of this policy upon payment of all past due premiums. *We* may require an application for reinstatement and evidence of insurability.

If *we* accept the past due premium with no further requirements, *we* will reinstate this policy effective the date the past due premium was received. If *we* require an application for reinstatement, this policy will be reinstated:

- (1) when *we* approve *your* application; or
- (2) 45 days after the date of the application unless *we* have refunded *your* premium and notified *you* in writing of *our* denial.

Following reinstatement, *your* policy will cover only:

- (1) an *injury* that occurs after the date of reinstatement; or
- (2) a *sickness* beginning more than 10 days after the date of reinstatement.

All other rights of the policy will remain the same except for changes made to the policy as a result of reinstatement.

NONCANCELABLE AND GUARANTEED RENEWABLE TO AGE 65. *You* have the right to continue this policy to age 65 by paying the premium as due. Until age 65, *we* shall not:

- (1) cancel this policy except for nonpayment of premium; nor
- (2) increase the premium; nor
- (3) add any restrictions.

CONDITIONALLY RENEWABLE FOR LIFE; SUBJECT TO PREMIUM CHANGE. *You* may renew this policy on each policy anniversary from age 65 for life, if, at the time of renewal:

- (1) *you* are not receiving a benefit under this policy or any attached rider; and
- (2) *you* are actively working at least 30 hours each week for wage or profit; and
- (3) the policy is *in force* with no premium in default; and
- (4) *you* pay the premium in effect for *your* age at that time; and
- (5) *you* furnish *proof* of *your* current income.

If this policy is renewed under this provision, only the benefit for *total disability* will be renewed. At the time of renewal, all exclusion riders, limitations, exceptions, endorsements, and ratings will be renewed and remain part of this policy, unless specified otherwise. All other non-exclusion riders attached to this policy and *in force* at age 65 are non-renewable and will terminate according to the terms of those riders.

You have extra time to pay a premium that is due while coverage continues.

Reinstating coverage is possible after the end of the grace period.

SUSPENSION DURING SERVICE IN THE ARMED FORCES. If *you* are on active duty in any armed forces for more than 30 days, *you* have the option to suspend this policy. During such suspension:

- (1) the provisions of this policy will not be in effect; and
- (2) the incontestability period in Part VI of this policy shall be tolled; and
- (3) premium payments shall not be required.

You must request this suspension in writing. *We* will refund the part of any premium paid beyond *your* active duty date. If *your* active service ends before *you* reach age 65, *you* may reinstate this policy within 90 days after *your* active service ends. *We* must receive *your* request in writing along with *your* deactivation notice and payment of the premium due for coverage until the next premium due date. *We* will reinstate this policy effective the date premium is received. This policy will not cover loss from injuries which occurred, or sickness first manifested, while this policy was suspended. Otherwise, *you* and *we* shall have the same rights under this policy as each had before it was suspended.

PART V: HOW TO FILE A CLAIM

NOTICE OF CLAIM. A claim must be sent to *us* in writing within 30 days after loss, or as soon as reasonably possible, thereafter. The notice of claim should be submitted to *us* at *our* client service office and must include *your* name and policy number.

CLAIM FORMS. When *we* receive *your* notice of claim, *we* will send *you* forms for filing *your* proof of loss. If *we* don't send these forms to *you* within 15 days after receipt of *your* notice of claim, *you* may meet the proof of loss by giving *us* a written statement describing the nature and extent of *your* loss. *You* should send it to *us* within the time limit stated below.

PROOF OF LOSS. It is *your* responsibility, at *your* expense, to submit to *us* written proof of loss within 90 days after the date of loss. If *you* are not able to send it within that time, it may be sent as soon as reasonably possible thereafter without affecting *your* claim. The additional time allowed cannot exceed one year unless *you* are legally incapacitated. *We* may request additional proof of loss as often as *we* deem necessary.

TIME OF LOSS. A loss must occur while this policy is in force.

TIME OF PAYMENT OF CLAIMS. *We* will pay disability benefits due, in arrears, on a monthly basis, beginning the later of:

- (1) one month after the end of the elimination period; or
- (2) the date all proof of loss has been received and *your* claim has been approved by *us*.

Benefits for any other loss will be paid as soon as *we* receive proper written proof.

PAYMENT OF CLAIMS. All benefits payable under this policy will be paid to the owner, unless assigned to another person.

If the person who is to receive payments is dead or incompetent, *we* will make the payments to the legal representative for the property of that person. If no legal representative exists, *we* may make payment to any relative of that person *we* consider to be justly entitled to payment. If *we* do this, *we* will be discharged to the extent of such payment made in good faith. The amount *we* pay will not exceed \$5,000 or, if greater, the limit allowed by state law for payments of this kind.

Payment of monthly benefits for a period of less than one month will be at the daily rate of 1/30 of the applicable monthly benefit.

MEDICAL EXAMINATION. *We* have the right, at *our* expense, to obtain other medical opinions from, or have *you* examined by, physicians of *our* choice as often as is reasonably necessary.

LEGAL ACTIONS. No legal action may be brought to recover on this policy within 60 days after written proof of loss has been given as required by this policy. No such action may be brought after three years from the time written proof of loss is required to be given. All actions must be brought in either a state or federal court within the United States.

FRAUD. In the event this policy and any rider, benefit, or reinstatement of this policy is procured by fraud or a claim is made with intent to deceive, this policy will be void. This provision shall control over all other policy provisions.

You have a reasonable length of time to file a claim.

PART VI: GENERAL PROVISIONS

INCONTESTABILITY. After two years from the *issue date* of this policy or the effective date of any change to this policy or reinstatement, only fraudulent misstatements in the application may be used to void this policy or any change to this policy for *loss* incurred or disability that starts after the two-year period. However, for disabilities that start prior to the two-year period, we may void *your* policy if *you* made material misrepresentations in *your* application.

Applications include, but are not limited to, the application for this policy and those used for reinstatement or policy changes.

POLICY OWNERSHIP. *You* are the *owner* of this policy unless *our* records show otherwise. The *owner* has the right to:

- (1) receive any benefits due under this policy; and
- (2) assign this policy; and
- (3) exercise other rights that this policy provides, or that we permit.

MISSTATEMENT OF AGE AND GENDER. If *your* *age* or *gender* has been misstated, *your* benefits will be adjusted to reflect the amount *your* premium would have purchased at *your* correct *age* and *gender*. If, however, no coverage would have been issued at the correct *age*, *you* will not be covered and we will refund all premiums paid.

ENTIRE CONTRACT. The entire contract consists of:

- (1) this policy; and
- (2) any riders; and
- (3) any endorsements; and
- (4) the attached copy of the application, and any amendments or supplemental applications; and
- (5) the applicable *schedule(s)*.

No change in this policy will be effective until approved by one of *our* authorized officers. This approval must be noted on or attached to this policy. No agent may change this policy or waive any of its provisions.

NONPARTICIPATING POLICY. This policy is nonparticipating. No dividends will be paid under this policy.

HEADINGS. The paragraph headings in this policy are included for convenience only and do not modify or control the scope of any of the provisions of this policy.

CONFORMITY WITH STATE STATUTES. If any provisions of this policy are in conflict with the laws of the state where *you* reside on the *issue date* of the policy, those provisions are amended to conform to the minimum requirements of those laws.

DUTY TO COOPERATE. *You* have the duty to cooperate with *us* concerning all matters relating to this policy and any claims thereunder. This cooperation includes, but is not limited to:

- (1) submitting all required forms and other documentation according to this policy's provisions; and
- (2) mitigating all covered expenses; and
- (3) securing appropriate medical treatment for the condition(s) upon which *your* claim for benefit under this policy is based. This includes such corrective/remedial surgery or generally accepted medical procedures which to an ordinarily prudent person would appear medically reasonable for such condition(s).

TERMINATION. This policy terminates on the earlier of the following:

- (1) the expiry date shown on the *schedule*, unless *you* renew the policy as provided under the Conditionally Renewable for Life provision; or
- (2) the end of the period for which premium has been paid, if premium is not paid by the end of the grace period; or
- (3) the date we receive the *owner*'s written request to terminate the policy; or
- (4) the date of *your* death.

During the first two years, the policy is contestable for misrepresentation. After two years, the policy is contestable only for fraud.

ENHANCED RESIDUAL DISABILITY RIDER

This rider, as defined below, is designed to supplement your income when you are residually disabled.

DEFINITIONS

RESIDUAL DISABILITY or RESIDUALLY DISABLED. Means that due to sickness or injury:

- (1) your loss of monthly earnings is at least 15% of your prior monthly earnings; and
- (2) your loss of monthly earnings is the result, directly and apart from any other cause, of an injury or sickness as defined in the policy; and
- (3) you are able to perform one or more, but not all, of the material and substantial duties of your occupation; or you are unable to work in your occupation for 80% or more of the time as was usual prior to the start of your disability.

Your occupation is defined in the Definition of Total Disability found on the schedule.

In order to be eligible for residual benefits, you must meet the Physician Care Requirement in the BENEFIT PROVISIONS (Part II) section of your policy.

RESIDUAL MONTHLY BENEFIT. The benefit amount that will be paid each month under this rider.

ELIMINATION PERIOD. The definition of elimination period in the DEFINITIONS (Part I) section of your policy is hereby revised. Days of both total disability and residual disability will satisfy the elimination period.

RESIDUAL MAXIMUM BENEFIT PERIOD. The residual maximum benefit period is equal to any unused portion of the maximum benefit period for total disability shown on the schedule. Payment of monthly benefits, under all provisions of this rider combined, will not be made for more than the residual maximum benefit period.

SUCCESSIVE PERIODS OF DISABILITY. Periods of total disability referred to in the Successive Periods of Total Disability provision will be construed to include periods of residual disability. This is shown in the BENEFIT PROVISIONS (Part II) section of your policy.

MONTHLY EARNINGS. Monthly earnings are:

- (1) all wages, fees, salaries, bonuses, commissions; and
- (2) pension and profit-sharing contributions and deferred compensation; and
- (3) other payments for service you do;
less
- (4) usual and customary business expenses.

If you own any portion of a business for which you work, monthly earnings also include:

- (1) your share of profits or losses generated by the business;
less
- (2) your share of usual and customary business expenses.

Usual and customary business expenses are only those expenses which:

- (1) are not in excess of the expenses that were incurred before the start of the elimination period; and
- (2) you can deduct for federal income tax purposes; and
- (3) are other than salaries, drawing accounts, profits, benefits and other forms of compensation payable to you or to any member of your immediate family who was not a full-time paid employee of the business during the 60-day period immediately preceding the onset of a disability; and
- (4) are incurred on a regular basis and which are essential to the operation of the business, except income taxes.

Available to occupational classes 6A-3A.
Required for occupational classes 6M-3M.

Loss of income required is only 15%.

Successive periods of disability include days of both total and residual disability.

Earnings mean more than just salary.

Monthly earnings do not include:

- (1) royalties;
- (2) rent;
- (3) annuities;
- (4) interest;
- (5) dividends;
- (6) sick pay;
- (7) benefits received for disability under a formal wage or salary continuation plan;
- (8) income of a corporation imputed to a disabled single owner;
- (9) any other form of unearned income.

Monthly earnings may be considered earned:

- (1) in the period actually received (this is the cash accounting method); or
- (2) in the period actually earned (this is the accrual accounting method).

You may elect to have *monthly earnings*, *prior monthly earnings* and the *current monthly earnings* calculated using either the cash or accrual accounting method. If you choose the cash accounting method, then, with the exception of deferred compensation, income earned but not received before the onset of a disability will be excluded from the calculation of *monthly earnings*.

PRIOR MONTHLY EARNINGS. *Prior monthly earnings* are your average *monthly earnings* for either the 12-month or 24-month period immediately preceding the onset of a disability, whichever is greater.

CURRENT MONTHLY EARNINGS. *Current monthly earnings* are your *monthly earnings* during each month of *residual disability* for which a claim for benefits is made under this rider.

During any period of *residual disability*, usual and customary business expenses will be construed to be only those expenses which:

- (1) are not in excess of the expenses that were incurred before the start of the *elimination period*; and
- (2) you can deduct for federal income tax purposes; and
- (3) are other than salaries, drawing accounts, profits, benefits and other forms of compensation payable to you or to any member of your immediate family who was not a full-time paid employee of the business during the last 60 days before disability began.

LOSS OF MONTHLY EARNINGS. *Loss of monthly earnings* is your *prior monthly earnings* less your *current monthly earnings*.

BENEFIT PROVISIONS

RESIDUAL BENEFITS. We will pay you a *residual monthly benefit* under this rider for each month you are *residually disabled* beginning on the later of:

- (1) the day after the end of the *elimination period*; or
- (2) the day following a period of *total disability* for which benefits have been paid.

$$\text{residual monthly benefit} = \frac{\text{loss of monthly earnings}}{\text{prior monthly earnings}} \quad (\text{times}) \quad \text{base monthly benefit}$$

The first six monthly payments of the *residual monthly benefit* will be the greater of:

- (1) 50% of your *base monthly benefit*; or
- (2) the amount determined by the above formula.

We will not pay residual benefits for any day for which we pay *total disability* or presumptive total disability benefits.

You may choose which accounting method you use.

Cash method excludes income earned for services performed but not received before disability began.

Prior monthly earnings are your average earnings in the last 12-month or 24-month period immediately prior to disability, whichever is greater.

A 50% minimum monthly benefit is payable during the first six months of residual disability.

If your *loss of monthly earnings* is more than 75% of your *prior monthly earnings*, it will be deemed a 100% loss and we will pay you as if you are *totally disabled*.

If *prior monthly earnings* are determined to be less than or equal to zero then no residual benefits will be paid.

PRIOR MONTHLY EARNINGS ADJUSTMENT. We will make an adjustment to your *prior monthly earnings* in order to reflect the changes in cost of living. For those controlling a business entity, we will make the same adjustment to revenue and expenses. We will make this adjustment on the first and each successive anniversary of the onset of your disability.

To make this adjustment, we will use the Consumer Price Index for All Urban Consumers (CPI-U) published by the Bureau of Labor Statistics of the United States Department of Labor. If the CPI-U is replaced or changed, we will use the index that, in our judgment, most clearly reflects the change in the cost of living in the United States. CPI-U will then mean the chosen index.

For each disability claim, we will determine the CPI-U value for the third month prior to the start of your disability. This is called the initial index.

On each anniversary of the onset of the disability, we will determine the CPI-U value for the third month prior to that date. This is called the current index.

A ratio is then calculated by dividing the current index by the initial index. This ratio will remain constant for 12 months and will be recalculated on each succeeding anniversary. This ratio will never be less than one.

The *prior monthly earnings* is then multiplied by this ratio. The result is the adjusted *prior monthly earnings*.

The adjusted *loss of monthly earnings* equals the difference between adjusted *prior monthly earnings* and *current monthly earnings*.

Then:

$$\text{adjusted residual monthly benefit} = \frac{\text{adjusted loss of monthly earnings}}{\text{adjusted prior monthly earnings}} \quad (\text{times}) \quad \frac{\text{base monthly benefit}}{X}$$

If your adjusted *loss of monthly earnings* is more than 75% of your adjusted *prior monthly earnings*, it will be deemed a 100% loss and we will pay you as if you are *totally disabled*.

No *prior monthly earnings* adjustment is made during the first year of disability.

TERMINATION OF RESIDUAL BENEFITS. We will continue to pay the *residual monthly benefit*, until the earlier of:

- (1) the date the *residual maximum benefit period* ends, or
- (2) the date you are no longer residually disabled.

RECOVERY BENEFIT. In the month immediately following a period for which monthly disability benefits have been paid under this policy, if you have returned to your occupation and you are performing the material and substantial duties of your occupation 80% or more of the time as was usual prior to the start of your disability, a *residual monthly benefit* will be paid provided:

- (1) *loss of monthly earnings* are at least 15%; and
- (2) a demonstrable relationship exists between the *loss of monthly earnings* and the previous disability. This relationship will be reevaluated periodically.

A demonstrable relationship exists if *loss of monthly earnings* is a direct and primary result of your *residual disability*. A demonstrable relationship does not exist if the *loss of monthly earnings* is primarily due to intervening causes that are not related to your *residual disability*.

Full monthly benefits are payable if income loss is greater than 75%.

Your prior monthly earnings are indexed based on the actual changes in the CPI-U.

If you return to work following a period for which disability benefits are payable and maintain at least a 15% loss of earnings due to the disability, residual benefits will continue to be paid for up to the maximum benefit period.

TERMINATION OF RECOVERY BENEFIT. The recovery benefit will terminate upon the earlier of:

- (1) the date a demonstrable relationship no longer exists; or
- (2) two consecutive months in which your loss of monthly earnings is less than 15%; or
- (3) three non consecutive months in which your loss of monthly earnings is less than 15%; or
- (4) the date the residual maximum benefit period ends.

WAIVER OF PREMIUM. The Waiver of Premium provision in BENEFIT PROVISIONS (Part II) section of your policy is amended as follows: References to total disability will be construed to include periods of residual disability.

Nothing in this rider will increase your base monthly benefit.

GENERAL PROVISIONS

PROOF OF EARNINGS. Before we can determine and approve any benefits, we require proof necessary to accurately calculate your current monthly earnings and prior monthly earnings. We, or an independent accountant retained by us, may examine your financial records as often as we deem necessary.

RIDER SPECIFICATIONS. This rider is:

1. part of the policy; and
2. based on the application for this rider and payment of its premium; and
3. subject to all definitions, provisions, exceptions, limitations, and other terms of the policy unless specifically changed by this rider.

This rider takes effect on the issue date of the policy unless a different issue date for the rider is shown on a revised schedule. As applied to this rider, the Incontestability and Pre-Existing Conditions provisions of the policy will be measured from the later of the issue date of the policy or of the rider.

TERMINATION. This rider terminates on the earlier of the following:

- (1) the date the policy terminates; or
- (2) the expiry date shown on the schedule, even if you renew the policy as provided under the Conditionally Renewable for Life provision; or
- (3) the date we receive the owner's written request to terminate this rider.

This rider may increase your benefit during total, residual or partial disability.

Dollar-for-dollar offset with Social Insurance benefits.

SISR also applies to the residual benefit if the Enhanced or Basic Residual Disability Rider is part of your base policy.

BENEFITS FOR PARTIAL DISABILITY (Provided your policy includes a partial benefit). If you are not receiving any *social insurance benefits* and you are receiving a *partial monthly benefit* under this policy, for each month you are *partially disabled* after the *SIS elimination period*, we will add the *SIS monthly benefit* to the *base monthly benefit* when we determine what benefits to pay under *partial disability*.

COST OF LIVING ADJUSTMENT (Provided your policy contains a Cost of Living Adjustment Rider). If the *SIS monthly benefit* has been included in determining your disability benefits and you are receiving disability benefits under this policy, we will add the *SIS monthly benefit*, reduced by any *social insurance benefits* being received, to the *base monthly benefit* when determining the benefits payable under the Cost of Living Adjustment Rider.

GENERAL PROVISIONS

We cannot require you to accept reduced Social Security retirement benefits.

If benefits have been paid under this rider and you receive retroactive *social insurance benefits*, then we will not seek reimbursement from you.

If you fail to notify us that you are receiving periodic payment of *social insurance benefits* and an overpayment of benefits occurs under this rider, you must repay us the overpayment.

If you receive a lump sum award in lieu of continued periodic payments for loss of income, the lump sum payment will be pro rated on a monthly basis over the time period for which payment was intended. If this time period is not specified, we will make a reasonable determination as to the time period for which payment may have been intended. We will allow for reasonable adjustments to the lump sum amount if the award specifies that portions of the lump sum were for loss of function, dismemberment, attorney fees, and/or medical treatment. If such portions of the lump sum are not otherwise determinable, no adjustments will be allowed.

LEGISLATIVE INCREASES. During your disability, legislated automatic increases may be made to your *social insurance benefits*. These increases will not be included in computing the benefit payable under this rider.

PROOF OF SOCIAL INSURANCE BENEFIT STATUS. We must receive *proof* of the status of your *social insurance benefits* before we will pay benefits under this rider. This *proof* must show that:

- (1) you have applied for all *social insurance benefits* to which you may be entitled; and
- (2) such benefits have been approved, denied, or are still pending.

These same *proof* requirements apply if your family may be eligible for *social insurance benefits* due to your disability. You must provide us with *proof* as often as we deem necessary.

APPEAL OF SOCIAL INSURANCE BENEFITS. If *social insurance benefits* are denied, we may require you to appeal the denial. We will pay the expense incurred for such appeal, if we require you to do so. If we do not require you to appeal a verdict, you may do so on your own, at your own expense.

RIDER SPECIFICATIONS. This rider is:

- (1) part of the policy; and
- (2) based on the application for this rider and payment of its premium; and
- (3) subject to all definitions, provisions, exceptions, limitations, and other terms of the policy unless specifically changed by this rider.

This rider takes effect on the *issue date* of the policy unless a different *issue date* for the rider is shown on a revised *schedule*. As applied to this rider, the Incontestability and Pre-Existing Conditions provisions of the policy will be measured from the later of the *issue date* of the policy or of the rider.

Partial benefit does not apply to policy form U4501 NC.

SISR benefits can also be increased under the Cost of Living Adjustment Rider if that rider is part of your base policy.

If you receive retroactive Social Insurance benefits, we will not seek reimbursement from you if payments have been made under this rider for that period.

Benefits under this rider will not be reduced by legislative increases in Social Insurance benefits.

TERMINATION. This rider terminates on the earlier of the following:

- (1) the date the policy terminates; or
- (2) the expiry date shown on the schedule, even if you renew the policy as provided under the Conditionally Renewable for Life provision; or
- (3) the date we receive the owner's written request to terminate this rider.

COST OF LIVING ADJUSTMENT RIDER

This rider provides for a yearly compound interest cost of living adjustment in certain monthly income benefits during disability.

DEFINITIONS

CPI-U. *CPI-U* is the Consumer Price Index for All Urban Consumers. It is published by the United States Department of Labor. If the *CPI-U* is replaced or changed, we will use the index that, in our judgment, most clearly reflects the change in the cost of living in the United States. *CPI-U* will then mean the chosen index.

INITIAL INDEX. For each disability claim, we will determine the *CPI-U* value for the third month prior to the onset of your disability. This is called the *initial index*. It will remain fixed for the duration of each disability claim.

CURRENT INDEX. On each anniversary of the onset of your disability, we will determine the *CPI-U* value for the third month prior to that date. This is called the *current index*.

INDEX RATIO. The lesser of:

- (1) the *current index* divided by the *initial index*; or
- (2) one plus six percent (1+ 6%), compounded annually.

This ratio will never be less than one.

MONTHLY INCOME BENEFIT. If we are paying you a total disability benefit, this is equal to the *base monthly benefit* shown on the *schedule*. If we are paying you a residual benefit, the *monthly income benefit* is equal to the *residual monthly benefit* as determined in the residual rider attached to your policy. If your policy includes a partial benefit and we are paying you under that provision, the *monthly income benefit* is equal to the *partial monthly benefit* as determined in that provision.

BENEFIT PROVISIONS

ADJUSTED MONTHLY INCOME BENEFIT. As long as you are receiving a *monthly income benefit* under this policy, on each anniversary of the onset date of disability, we will adjust the *monthly income benefit* by the *index ratio* as follows:

Adjusted Monthly Income Benefit = *index ratio* multiplied by the *monthly income benefit*

If this benefit is payable beyond age 65, the same *index ratio* used at age 65 will apply until the *monthly income benefit* ceases.

RIGHT TO PURCHASE ADDITIONAL COVERAGE UPON RECOVERY. You have the right to purchase additional *base monthly benefit* if:

- (1) for a period of disability, you have received benefits that were increased under the terms of this rider; and
- (2) you are not receiving benefits under this policy or any of its riders; and
- (3) you are no longer disabled; and
- (4) you are employed in your own occupation on a full-time basis at least 30 hours each week; and
- (5) you apply for this additional coverage within 90 days from the date your disability ends but before age 60; and
- (6) your application includes satisfactory evidence that you have fully recovered and are working in your occupation on a full-time basis; and
- (7) a plan similar to the policy to which this rider is attached is available at your attained age.

Available to occupational classes 6A-2A and 6M-2M.

This is an annual compound interest computation.

Benefits will never be less than the base monthly benefit shown on the policy schedule as a result of a drop in the CPI-U.

Increase applies to the total disability benefit, Enhanced or Basic Residual Disability benefit and Social Insurance Substitute benefit if these riders are part of your policy.

You have the conditional right to purchase the increased amount upon recovery.

The additional coverage:

- (1) will be issued on a policy form that is regularly used by us at the time of issue and has terms similar to those of this policy, exclusive of riders, and
- (2) may contain riders if approved by us; and
- (3) will have an *issue date* which is the later of the date:
 - (a) the application for additional coverage is approved by us; or
 - (b) the first premium for this coverage is paid; and
- (4) will have the Incontestability provision measured from the *issue date* of the additional coverage; and
- (5) may contain ratings, exclusions or limitations, if they were a part of this policy; and
- (6) may be an amount up to the adjusted monthly income benefit payable at the end of the disability reduced by the *base monthly benefit* shown on the *schedule*, but will only be issued if this amount is at least \$300.

GENERAL PROVISIONS

RIDER SPECIFICATIONS. This rider is:

- (1) part of the policy; and
- (2) based on the application for this rider and payment of its premium; and
- (3) subject to all definitions, provisions, exceptions, limitations, and other terms of the policy unless specifically changed by this rider.

This rider takes effect on the *issue date* of the policy unless a different *issue date* for the rider is shown on a revised *schedule*. As applied to this rider, the Incontestability and Pre-Existing Conditions provisions of the policy will be measured from the later of the *issue date* of the policy or of the rider.

TERMINATION. This rider terminates on the earlier of the following:

- (1) the date the policy terminates; or
- (2) the expiry date shown on the *schedule*, even if you renew the policy as provided under the Conditionally Renewable for Life provision; or
- (3) the date we receive the owner's written request to terminate this rider.

COST OF LIVING ADJUSTMENT RIDER

This rider provides for a yearly simple interest increase in certain monthly income benefits during disability.

DEFINITIONS

MONTHLY INCOME BENEFIT. If we are paying you a total disability benefit, this is equal to the *base monthly benefit* shown on the *schedule*. COST OF LIVING BENEFIT. This is determined by multiplying the *monthly income benefit* by three percent (3%) times the number of completed years of the current disability as of the anniversary of the onset date of disability.

BENEFIT PROVISIONS

The *cost of living benefit* will be paid each month in addition to your *monthly income benefit* as long as you are receiving a *monthly income benefit* under this policy. We will calculate the *cost of living benefit* beginning on the first anniversary of the onset date of disability and recalculate it on each subsequent anniversary.

If this benefit is payable beyond age 65, the same *cost of living benefit* payable at age 65 will apply until the *monthly income benefit* ceases.
