**Understanding This Policy**

To make this policy clear and easy to read, We have left out many cross-references and conditional statements. Therefore, the provisions and definitions of the policy, including any riders, must be read as a whole. For example, the Exclusions on page 8 apply to all benefit provisions of this policy.

A policy term is the period from one Premium Due Date to the next. A policy anniversary is measured from the Effective Date of the policy. For example, if the Effective Date is May 5, 2010, the first policy anniversary is May 5, 2011. If the policy term is six months, the first term ends November 4, 2010.

Read this policy to find out how to exercise Your rights. Instructions for submitting a claim can be found on page 10. If You want to change an address, or request any administrative action by Us, You should do so on the forms prepared for each purpose. You can get these forms from Your licensed insurance representative or one of Our local offices.

When You Write to Us, please give Us Your name, address and policy number. Please notify Us promptly of any changes. We will Write to You at Your last known address.

Checks, drafts or money orders may be drawn on a U.S. bank to the order of Metropolitan Life Insurance Company (or “MetLife”). They are received subject to the condition that they may be handled for collection in accordance with the practice of the collecting bank or banks. If We do not receive the full amount of any check, draft or money order, it will not constitute payment. All payments are to be made in U.S. currency.

1. Before the end of the Regular Occupation Period shown on the Policy Schedule Page:

**Monthly Benefit for Total Disability**

We will pay the Monthly Benefit for Total Disability shown on the Policy Schedule Page while You are Totally Disabled. This benefit will start to accrue after the Elimination Period. We will pay the benefit while You remain Totally Disabled, but not beyond the Maximum Benefit Period. For periods of less than a month, benefits will be prorated based on a 30-day month.

If You die during a continuous period of Disability after benefits were paid for 12 months or more, an additional benefit, equal to the amount of the benefit payable for the last month of Disability, will be paid to Your beneficiary for each of the first six months after Your death.

While You are outside the United States, its possessions and Canada, benefits will be paid for a maximum of 24 months for all periods of Disability combined during Your lifetime. **Waiver of Premiums**

After the earlier of the date:

We will also refund any Premium that You paid that became due during the first 90 consecutive days of Disability, or the period during which the Elimination Period was satisfied.

The Premium waived will be based on the frequency of payment in effect on the date Your Disability starts.

**Limited Benefit Period While Outside the United States**

While You are outside the United States, its possessions and Canada, benefits will be paid for a maximum of 24 months for all periods of Disability combined during Your lifetime. This limitation does not apply to any period of time for which You are considered Presumptively Totally Disabled, if the Presumptive Total Disability rider is included in Your policy.

After the earlier of the date:

1. You have been Disabled for a period of 90 consecutive days; or
2. You satisfy the Elimination Period,

We will waive any Premium that becomes due while You remain Disabled. Your policy and its benefits will continue as if the Premium had been paid.

We will also refund any Premium that You paid that became due during the first 90 consecutive days of Disability, or the period during which the Elimination Period was satisfied.

The Premium waived will be based on the frequency of payment in effect on the date Your Disability starts.
**Benefits (Continued)**

If Premiums are being waived, and benefits have been payable for 12 months or more, any Premiums due during the first 90 days after that period of Disability ends will be waived. This additional 90-day waiver of Premium will apply only once during a period of Disability, including Recurrent Disabilities. Thereafter, any Premiums due will be payable. If You do not pay the first Premium due by the end of its grace period, Your policy will end.

Waiver of Premium ends when You are no longer Disabled. When You are no longer eligible for waiver of Premium, You may continue Your policy by paying the next Premium that becomes due.

**Disability Because of Transplant Surgery**

If You are Disabled because You have had surgery, at least six months after the Effective Date, to transplant part of Your body to someone else, we will consider You Disabled due to Sickness.

**Rehabilitation**

While monthly benefits are payable for Disability, We will consider participating in the cost of an occupational rehabilitation program aimed at helping You to return to Gainful Employment. Such program may include, but is not limited to, an accredited program of professional retraining or recertification. The program may be at Your request or We may suggest it. We will continue to pay monthly benefits based on terms that We agree on with You.

In no case will We continue benefits beyond the Maximum Benefit Period.

**Recurrent and Concurrent Disability**

<table>

<th>Concurrent Disability</th>

| If, after the end of a period of Disability for which Disability benefits have been paid, You become Disabled again, the later period of Disability will be deemed a Recurrent Disability, which is a continuation of the preceding period of Disability, unless:  
1. You have been Gainfully Employed for at least 30 hours per week for at least 12 months following the end of the preceding period of Disability, if the Maximum Benefit Period for the Monthly Benefit for Total Disability is To Age 65 or longer; or  
2. You have been Gainfully Employed for at least 30 hours per week for at least six months following the end of the preceding period of Disability, if the Maximum Benefit Period for the Monthly Benefit for Total Disability is shorter than To Age 65; or  
3. The later period of Disability is due to a different or unrelated cause. If either 1, 2 or 3 applies, the later period of Disability will be deemed a new period of Disability. A new Elimination Period must be satisfied before benefits start again, and a new Maximum Benefit Period will apply.  
If the later period of Disability is deemed a Recurrent Disability, then it is not necessary for You to satisfy a new Elimination Period. However, Disability benefits paid for a Recurrent Disability are considered a continuation of the preceding period of Disability and will be subject to the Maximum Benefit Period that started with the preceding period of Disability. If the Maximum Benefit Period had ended with respect to the preceding period of Disability, no benefits will be payable for a recurrence of that Disability.  
If a Disability is caused by more than one Injury or Sickness, whether related or unrelated, which overlap for any time during a continuous period of Disability, We will pay benefits as if the Disability were caused by one Injury or Sickness. |

---

We will continue to waive your premiums for 90 days once your disability ends, provided benefits have been payable for 12 months or more.

Coverage for transplant surgery may be available.

Approved occupational rehabilitation may be available.

A disability arising from the same or a related cause within 12 months of a prior period of disability for which disability benefits had been paid, and where the benefit period is to age 65 or longer (within 6 months if the benefit period is shorter than to age 65), will be considered a continuation of the prior period of disability. Your benefit period will not start anew. However, you will not be required to meet a new elimination period and benefits will begin accruing immediately.
You can keep your policy in force (exclusive of certain riders) after age 67, or the fifth policy anniversary if later, with a limited benefit period, if you are gainfully employed at least 30 hours per week and are not disabled.

There are some exclusions and limitations. Subject to state variations. The pregnancy exclusion may be removed in some employer paid scenarios.

Renewal Privilege

Following the first Premium Due Date on or after Your 67th birthday, or the fifth policy anniversary if later, You may continue the coverage under this policy, exclusive of any riders that (as described in the Termination section of the rider) have previously terminated or terminate as of the first Premium Due Date on or after Your 67th birthday, or the fifth policy anniversary, if later, as long as:

1. You remain Gainfully Employed for at least 30 hours per week; and
2. The Premium is paid on time.

You may exercise this privilege only while Your policy is in force and You are not Disabled.

We may require proof on each policy anniversary that You have continued to be Gainfully Employed for at least 30 hours per week during the 13 weeks immediately prior to that policy anniversary.

Total Disability Benefit With Limited Benefit Period

If You continue coverage under this privilege, benefits will be paid subject to the same provisions, limitations and exclusions in the policy. The Maximum Benefit Period will be limited based on Your age at the time of Disability, as shown on Table A on the Policy Schedule Page.

Premiums

The Premium will be based on:

1. Your attained age, and will change on each policy anniversary based on Your attained age; and
2. Your class on the Effective Date of the policy.

We may also change the Premium rate for Your policy as of any policy anniversary, but only if We change it for all policies in Your class.

Exclusions and Limitations

General Exclusions and Limitations

Benefits for a Disability will not be paid or otherwise accrue if the Disability is:

1. Caused or contributed to by an act of war, whether declared or undeclared;
2. Existing while You reside outside of the United States, its possessions and Canada, except as set forth in the Limited Benefit Period while Outside the United States section on page 6;
3. Due to any loss We have excluded by name or specific description;
4. Due to Your committing, or attempting to commit, a felony;
5. Existing while You are legally incarcerated or detained;
6. Caused by an intentionally self-inflicted injury; or
7. Due to pregnancy or childbirth, but We will cover Disability due to Complications of Pregnancy.

Benefits for a Disability may be limited by a rider or endorsement as shown on the Policy Schedule Page.

Preexisting Conditions Exclusion

We will not pay benefits for a Disability that starts during the first two years after the Effective Date, or the effective date of any policy change or reinstatement for which you are required to submit an Application, if the Disability was due to a Preexisting Condition. This exclusion does not apply to any condition that was disclosed, and that was not misrepresented, in the Application and was not excluded by name or specific description.
There is a grace period of 31 days from the due date of any premium.

### Premium and Reinstatement

#### Premium Payment

The payment of the Premium shown on the Policy Schedule page, on or before the Effective Date, will keep the policy in force for the term which starts on the Effective Date. At the end of any term while the policy has been in force, You may renew the policy for a further term (called a renewal term). To renew, You must pay the Premium shown on the Policy Schedule page by the Premium Due Date.

The last guaranteed renewal term of the policy will end on the day before the first Premium Due Date on or after Your 67th birthday, or the fifth policy anniversary if later. See Renewal Privilege if Employed After Age 67 on page 8 for renewal past this date.

All policy terms will begin at 12:01 A.M. and end at midnight Standard Time, where You live.

You may change the frequency of payment with Our approval.

Paying Premiums more frequently than annually may result in higher annualized premium costs.

#### Grace Period

This policy has a 31-day grace period. This means that each Premium after the first may be paid up to 31 days after its due date. During the grace period, the policy will stay in force. If You become Disabled during the grace period while the Premium remains unpaid, We may deduct any unpaid Premium(s) from the benefits due You.

#### Reinstatement

If We do not receive the Premium before the end of the grace period, the policy will lapse. After the policy has lapsed, You may apply for reinstatement by completing an Application and paying all unpaid Premium(s). If We have not sent You a Written disapproval of the reinstatement Application within 45 days, the policy will be reinstated as of the date We received the Premium.

Any Premiums We accept for a reinstatement will be applied to a period for which Premiums have not been paid.

The reinstated policy will cover only a loss that results from an Injury that occurs or a Sickness that first manifests itself after the date of reinstatement. In all other respects You and We will have the same rights under the policy, subject to any provisions noted on or attached to the reinstated policy.

#### Suspension During Military Service

If You enter full-time active duty in the military (land, sea or air) service of any nation or international authority, You may suspend this policy. But, You may not suspend the policy during active duty for training lasting three months or less. The policy will not be in force while it is suspended, and We will not accept Premiums for that period. Your policy will be suspended as of the date We receive Your Written request to suspend the policy. No privileges or options under this policy or any attached riders may be exercised during suspension. We will refund the pro rata portion of any Premium paid for a period beyond the date We receive your request. Premiums must be paid to the date of suspension.

If Your full-time active duty in the military service ends before the first Premium Due Date on or after Your 67th birthday, or the fifth policy anniversary if later, You may request that We place this policy back in force without evidence of insurability. Your coverage will start again when we receive:

1. Your Written request to place the policy back in force; and
2. The required pro rata Premium for coverage until the next Premium Due Date.

Your request and Premium payment must be received by Us within 90 days after the date Your active duty in the military service ends. Premiums will be at the same rate that they would have been had Your policy remained in force. The policy will not cover any loss due to an Injury that occurs or a Sickness that first manifests itself while the policy is suspended. In all other respects You and We will have the same rights under the policy as at the time before it was suspended.
Suspension During Unemployment

After this policy has been in force for at least one year from the Effective Date, You may suspend this policy if You:

1. Become unemployed; and
2. Receive eight weeks of governmental unemployment benefits.

The policy will not be in force while it is suspended, and We will not accept Premiums for that period. No privileges or options under this policy or any attached riders may be exercised during suspension.

The suspension will begin when we receive:

1. Your Written request to suspend the policy; and
2. Your certification that you are unemployed and that you have received eight weeks of governmental unemployment benefits.

We will refund the pro rata portion of any Premium paid for a period beyond the date that the suspension begins. Premiums must be paid to the date of suspension.

After the end of a period of suspension, this policy may not be suspended again until 48 months have elapsed from the end of that period of suspension.

The suspension will end at the earlier of:

1. 12 months after the date of suspension, at which time You will be notified that the policy has been placed back in force and Premiums are now due; or
2. The date We receive Your Written request to end the suspension, subject to evidence satisfactory to Us that You are Gainfully Employed.

You will be required to pay the pro rata Premium for coverage until the next Premium Due Date. If this policy is suspended on the first Premium Due Date on or after Your 67th birthday, or the fifth policy anniversary if later, this policy will end at that time and cannot be renewed.

Premiums will be at the same rate that they would have been had Your policy remained in force. The policy will not cover any loss due to an Injury that occurs or a Sickness that first manifests itself while the policy is suspended. In all other respects You and We will have the same rights under the policy as at the time before it was suspended.

As often as is reasonably necessary, We may require as part of the proof of loss financial proof such as personal and business income tax returns, income statements, accountant's statements and other proof acceptable to Us.

After We receive Written proof of loss, We will pay the benefits due under the policy.

Payment of Claims

All benefits will be paid to You. But, if You are not legally competent to give a valid release, or if any benefit is payable to Your estate, We may pay up to $10,000 to anyone who We believe is entitled to it. If We make such a payment in good faith, We will not be liable to anyone for the amount We pay.

Beneficiary

The beneficiary is the person or persons to whom any benefits unpaid at Your death are payable.

You may name a contingent beneficiary to become the beneficiary if all the beneficiaries die while You are alive. If no beneficiary or contingent beneficiary is named, or none is alive when You die, Your estate will be the beneficiary. While You are alive, You may change any beneficiary or contingent beneficiary.

If more than one beneficiary is alive when You die, We will pay them in equal shares, unless You have chosen otherwise.

How to Change the Beneficiary

You may change the beneficiary or contingent beneficiary of this policy by Written notice or assignment of the policy. No change is binding on Us until it is recorded at Our office. Once recorded, the change binds Us as of the date You Signed it. This change will be without prejudice to Us as to any payment We make or action We take before We record the change. You may require that You send Us the policy to make the change.

### General Provisions (Continued)

| **Time Limit on Certain Defenses** | After two years from the Effective Date of this policy, or of any policy change or reinstatement, no misstatements, except for fraudulent misstatements, made by You on the Application can be used to void this policy or such policy change or reinstatement, or to deny a claim under this policy or the policy change or reinstatement, for a Disability starting after the end of such two-year period. No claim for Disability starting after two years from the Effective Date of this policy, or of any policy change or reinstatement, will be reduced or denied on the grounds that a Sickness or physical condition had existed, but not manifested itself, before the Effective Date of this policy, or of such policy change or reinstatement, unless, on the date the Disability starts, that Sickness or physical condition was excluded from coverage by name or specific description. |
| **Misstatement of Age and Sex** | If Your age or sex is not stated correctly on Our records, the benefits under the policy will be those that the Premium You paid would have bought at Your correct age and sex. |

**Definitions**
The definition of Disability or Disabled in Your policy is amended to read as follows:

"Disability or Disabled means either Total or Residual Disability that starts while Your policy is in force."

**Residual Disability or Residually Disabled**
means that due solely to Impairment caused by Injury or Sickness:

1. Your Earnings are reduced by at least 15 percent of Your Prior Earnings; and
2. You are receiving appropriate care from a Physician who is appropriate to treat the condition causing the Impairment; and
3. You are not Totally Disabled, and are Gainfully Employed, but You are:
   a. Prevented from performing one or more of the material and substantial duties of Your Regular Occupation; or
   b. Performing the material and substantial duties of Your Regular Occupation, but are not able to perform them for more than 85 percent of the time normally required of You; or
   c. Engaged in another occupation.

We may waive the requirement of care from a Physician if Your Physician provides documentation acceptable to Us that continued care would be of no benefit to You.

**Earnings**
means income or compensation, payable as remuneration to You, for actual services You perform, or for goods or services provided by a business in which You have an ownership interest. This term includes salary, fees, profits or losses, commissions, bonuses and other payment for goods or services, which You or Your business render or provide. Earnings are determined after deduction of normal and customary unreimbursed business expenses, but before deduction of any income taxes.

1. Income from dividends, interest, rent, royalties, annuities, or investments; or
2. Income from deferred compensation plans, formal sick pay benefits, disability income policies, or retirement plans.

**Review Date**

---

If you purchase this rider we will pay some disability benefits even if you are able to work but, due solely to impairment caused by injury or sickness, you have a loss of earnings of at least 15% of your prior earnings.

There are two methods to determine your prior earnings; we will use whichever is more advantageous to you.

Certain eligibility requirements apply for rider issue. Contact your representative for details.
To help offset the effect of inflation, we will automatically review and, if applicable, increase your prior earnings, once each year after the first year of disability.

How the residual benefit amount is determined.

We will provide a minimum residual disability benefit of 50% of the monthly benefit for total disability for the first six months of benefit payments (after the elimination period has been met).

Rider: Monthly Benefit for Residual Disability (Continued)

After the start of a period of Disability, the Prior Earnings are increased each year, on the Review Date. The Prior Earnings will be multiplied by a factor equal to the CPI-U for the Index Month divided by the CPI-U for the preceding Index Month. The Prior Earnings in any given year will not be increased by more than ten percent (10%), and will not be decreased, but could remain the same.

Benefits

Monthly Benefit for Residual Disability — While You are Residually Disabled, We will pay a monthly benefit for Residual Disability, if the Elimination Period has been met (by Total Disability and/or Residual Disability).

The monthly amount of this benefit equals:

\[
\frac{A - B}{A} \times \text{Monthly Benefit for Total Disability as shown on the Policy Schedule Page.}
\]

“\(A\)” is Your Prior Earnings.

“\(B\)” is Your Earnings for the month for which Residual Disability is claimed. Such Earnings will not include income received for services You performed prior to the date Your Residual Disability started.

If Earnings for the month for which Residual Disability is claimed are 25 percent or less of Prior Earnings, We will consider “\(B\)” to be zero; that is, the full Monthly Benefit for Total Disability, as shown on the Policy Schedule Page, will be payable.

For example, if Your Monthly Benefit for Total Disability is $1,000, and Your Prior Earnings are $2,000, and Your monthly Earnings for the month for which Residual Disability is claimed are $800; Your Residual Disability benefit would be computed as follows:

\[
\frac{2,000 - 800}{2,000} \times 1,000 = 600
\]

For periods of less than a month, benefits will be prorated based on a 30-day month.

During the first six months during which Residual Disability benefits are paid, the minimum monthly benefit for Residual Disability will be 50 percent of the Monthly Benefit for Total Disability.

In determining “\(A\)” and “\(B\)” above, the same accounting method (cash or accrual) must be used. Once chosen, the accounting method (cash or accrual) will be applied consistently to the formula above.

Cost-of-Living Adjustment for Disability Benefits — If a Cost-of-Living Adjustment for Disability Benefits (COLA) rider is included in Your policy, then in computing Residual Disability benefits, We will substitute the Adjusted Monthly Benefit for Total Disability, as defined in the COLA rider, for the Monthly Benefit for Total Disability.

The Residual Disability benefit will be payable starting on the day after the Elimination Period ends; however, We will not pay a Residual Disability benefit while We are paying You the Total Disability benefit.

We will continue to pay this benefit until the earlier of:

1. The date You are no longer Residually Disabled; or
2. The date the Maximum Benefit Period ends.
Rider: Monthly Benefit for Residual Disability (Continued)

Proof of Earnings
We may require proof from You, as often as is reasonably necessary, as to Your:
1. Prior Earnings; and
2. Earnings for each month for which a Residual Disability or Recovery benefit is claimed.
This may include financial proof such as Your personal and business income tax returns, income statements, accountant’s statements or other proof acceptable to Us. We may require an audit of all Your business and financial records, by a financial examiner of Our choice. This may include examination of financial records for any business in which You have an ownership interest.

Time Limit on Certain Defenses
After two years from the Effective Date of this rider, no misstatements, except for fraudulent misstatements, made by You on the Application for this rider or the policy to which it is attached can be used to void this rider or deny a claim under this rider for a Disability starting more than two years from the Effective Date of this rider.

No claim for Disability starting after two years from the Effective Date of this rider will be reduced or denied on the grounds that a Sickness or physical condition had existed, but not manifested itself, before the Effective Date of this rider unless, on the date the Disability starts, that Sickness or physical condition was excluded from coverage by name or specific description.

Termination
This rider will end on the date the policy ends.

"Disability or Disabled means either Total or Residual Disability that starts while Your policy is in force."

**Residual Disability or Residually Disabled** means that due solely to Impairment caused by Injury or Sickness:

1. Your Earnings are reduced by at least 15 percent of Your Prior Earnings; and
2. You are receiving appropriate care from a Physician who is appropriate to treat the condition causing the Impairment; and
3. You are not Totally Disabled, and are Gainfully Employed, but You are:
   a. Prevented from performing one or more of the material and substantial duties of Your Regular Occupation; or
   b. Performing the material and substantial duties of Your Regular Occupation, but are not able to perform them for more than 85 percent of the time normally required of You; or
   c. Engaged in another occupation.

We may waive the requirement of care from a Physician if Your Physician provides documentation acceptable to Us that continued care would be of no benefit to You.

**Earnings** means income or compensation, payable as remuneration to You, for actual services You perform, or for goods or services provided by a business in which You have an ownership interest. This term includes salary, fees, profits or losses, commissions, bonuses and other payment for goods or services, which You or Your business render or provide. Earnings are determined after deduction of normal and customary unreimbursed business expenses, but before deduction of any income taxes.

Earnings do not include:

1. Income from dividends, interest, rent, royalties, annuities, or investments; or
2. Income from deferred compensation plans, formal sick pay benefits, disability income policies, or retirement plans.

**Review Date** means each anniversary date of the start of a period of Disability.

**Index Month** means the June before the Review Date. The first Index Month is the June before the start of a period of Disability.

**CPI-U** means the Consumer Price Index for All Urban Consumers. It is published by the United States Bureau of Labor Statistics. If the CPI-U cannot be used or is not available, We will choose a suitable index to replace it. CPI-U will then mean the chosen index.

**Prior Earnings** means the greater of Your average monthly Earnings for the three calendar years immediately prior to the start of Your Disability, or for the 24 months immediately prior to the start of Your Disability, provided there is financial documentation satisfactory to Us.
To help offset the effect of inflation, we will automatically review and, if applicable, increase your prior earnings, once each year after the first year of disability.

Recovery means that following a period of Total or Residual Disability, for which total or residual benefits have been paid

1. You are working full time performing all of the material and substantial duties of Your Regular Occupation. Full time means You are working at least as many hours as You worked before being Totally or Residually Disabled; and
2. Your Earnings continue to be reduced by at least 15 percent of Your Prior Earnings; and
3. Your Earnings are reduced directly and solely due to the same Impairment that caused the Total or Residual Disability.

Benefits

Monthly Benefit for Residual Disability—While You are Residually Disabled, We will pay a monthly benefit for Residual Disability, if the Elimination Period has been met (by Total Disability and/or Residual Disability).

The monthly amount of this benefit equals:

\[ \frac{A-B}{A} \times \text{Monthly Benefit for Total Disability as shown on the Policy Schedule Page.} \]

\( A \) is Your Prior Earnings.
\( B \) is Your Earnings for the month for which Residual Disability is claimed. Such Earnings will not include income received for services You performed prior to the date Your Residual Disability started.

If Earnings for the month for which Residual Disability is claimed are 25 percent or less of Prior Earnings, We will consider \( B \) to be zero; that is, the full Monthly Benefit for Total Disability, as shown on the Policy Schedule Page, will be payable.

For example, if Your Monthly Benefit for Total Disability is $1,000, and Your Prior Earnings are $2,000, and Your monthly Earnings for the month for which Residual Disability is claimed are $800; Your Residual Disability benefit would be computed as follows:

\[ \frac{2,000-800}{2,000} \times 1,000 = 600 \]

\$2,000

For periods of less than a month, benefits will be prorated based on a 30-day month.

During the first 12 months during which Residual Disability benefits are paid, the minimum monthly benefit for Residual Disability will be 50 percent of the Monthly Benefit for Total Disability.

In determining \( A \) and \( B \) above, the same accounting method (cash or accrual) must be used. Once chosen, the accounting method (cash or accrual) will be applied consistently to the formula above.

Cost-of-Living Adjustment for Disability Benefits—If a Cost-of-Living Adjustment for Disability Benefits (COLA) rider is included in Your policy, then in computing Residual Disability benefits, We will substitute the Adjusted Monthly Benefit for Total Disability, as defined in the COLA rider, for the Monthly Benefit for Total Disability.

IDiPR12-15
Rider: Monthly Benefit for Residual Disability (Continued)

We will continue to pay this benefit until the earlier of:
1. The date You are no longer Residually Disabled; or
2. The date the Maximum Benefit Period ends.

Monthly Recovery Benefit—A monthly Recovery benefit will be paid if You have Recovered. The monthly amount of this benefit equals:

\[ \frac{A-B}{A} \times \text{Monthly Benefit for Total Disability as shown on the Policy Schedule Page.} \]

*A* is Your Prior Earnings.

*B* is Your earnings for the month in which Recovery benefits are claimed.

In determining “A” and “B”, the same accounting method (cash or accrual) that was used in determining the Residual Disability benefit will be applied.

Cost-of-Living Adjustment for Disability Benefits—If a Cost-of-Living Adjustment for Disability Benefits (COLA) rider is included in Your policy, then in computing the Recovery benefit, We will substitute the Adjusted Monthly Benefit for Total Disability, as defined in the COLA rider, for the Monthly Benefit for Total Disability.

A monthly Recovery benefit will be paid until the earliest of the following happens:
1. You no longer meet the definition of Recovered or Recovery;
2. Your Earnings are not reduced, or reduced by less than 15 percent of Your Prior Earnings; or
3. The Maximum Benefit Period ends.

We may require proof from You, as often as is reasonably necessary, as to Your:
1. Prior Earnings; and
2. Earnings for each month for which a Residual Disability or Recovery benefit is claimed.

This may include financial proof such as Your personal and business income tax returns, income statements, accountant's statements or other proof acceptable to Us. **Definitions**
Review Date means each anniversary date of the start of a period of Disability.

Adjusted Monthly Benefit for Total Disability means the Monthly Benefit for Total Disability shown on the Policy Schedule Page, plus the cost-of-living adjustment under this rider.

**Benefits**
If Your period of Disability lasts for at least one year We will adjust any further Monthly Benefit for Total Disability and (if a Residual Disability or Transitional Your Occupation rider is included in Your policy) Monthly Benefit for Residual Disability or Transitional Your Occupation Benefit, by substituting the Adjusted Monthly Benefit for Total Disability for the Monthly Benefit for Total Disability.

The Adjusted Monthly Benefit for Total Disability will be determined on each Review Date.

On the first Review Date, the initial Adjusted Monthly Benefit for Total Disability is determined by multiplying the Monthly Benefit for Total Disability shown on the Policy Schedule Page by a factor of 1.03. This amount will be rounded upwards to the next whole dollar.

Each subsequent Review Date during a continuous period of Disability, the Adjusted Monthly Benefit for Total Disability is calculated by multiplying the Adjusted Monthly Benefit for Total Disability for the year immediately prior to the Review Date by a factor of 1.03. This amount will be rounded upwards to the next whole dollar.

**Termination of Adjustment**
No further cost-of-living adjustments will be made after the earliest of:
1. The date a period of Disability ends;
2. The date the Maximum Benefit Period ends; or
3. The first Premium Due Date on or after Your 67th birthday, or the second Review Date if later.

2. You have not attained age 60,
You may, within 90 days, increase the Monthly Benefit for Total Disability by the difference between the last Adjusted Monthly Benefit for Total Disability and the Monthly Benefit for Total Disability, provided that You pay the premium for this increased coverage. This premium will be based on the rates in effect for a person of Your age at the time the adjustments end, and Your class on the Effective Date of this rider. If You choose not to purchase this increased coverage, benefits payable for a new period of Disability will not include the cost-of-living adjustment(s) from the preceding period of Disability. **Definitions**

**Spousal Catastrophic Disability** means that due to Injury or Sickness, Your Spouse:

1. Has a complete, irrecoverable and irreparable loss of:
   a. Use of both hands, or both feet, or one hand and one foot;
   b. The sight in both eyes;
   c. Speech; or
   d. Hearing in both ears; or
2. Has Alzheimer's Disease or other irreversible form of senility or dementia requiring supervision to protect from threats to health and safety due to severe cognitive impairment, and is unable to perform at least two (2) of the Activities of Daily Living without assistance from another person; or
3. Has: Aphasia; Hemiparesis; Paraplegia; or Quadriplegia, and is unable to perform at least two (2) of the Activities of Daily Living without assistance from another person.

When We use the term Catastrophically Disabled in this rider in connection with Your Spouse, We are referring to this definition of Spousal Catastrophic Disability.

**Activities of Daily Living** means the following:

1. **Bathing**: Washing oneself by sponge bath; or in either a tub or shower, including the task of getting into or out of the tub or shower.
2. **Continence**: Ability to maintain control of bowel and bladder function; or, when not able to maintain control of bowel or bladder function, the ability to perform associated personal hygiene (including caring for catheter or colostomy bag).
3. **Dressing**: Putting on and taking off all items of clothing and any necessary braces, fasteners, or artificial limbs.
4. **Eating**: Feeding oneself by getting food into the body from a receptacle (such as a plate, cup or table) or by feeding tube or intravenously.
5. **Toileting**: Getting to and from the toilet, getting on and off the toilet, and performing associated personal hygiene.
6. **Transferring**: Moving into or out of a bed, chair or wheelchair.

**Aphasia** means the loss, due to Injury or disease of the brain centers, of:

1. The power of expression by speech, writing, or signs; or
2. Comprehension of spoken or written language.
This rider pays you a monthly benefit, in addition to any other disability benefit payments under your policy, while your non-working or part-time employed spouse is catastrophically disabled, as defined in this rider. We will pay you 120% of the spousal catastrophic disability benefit for the first 12 months spousal catastrophic disability benefits are paid.

Rider: Spousal Catastrophic Disability Benefit (Continued)

Elimination Period for Spousal Catastrophic Disability means the number of consecutive days of Spousal Catastrophic Disability that must elapse before benefits for Spousal Catastrophic Disability become payable. No benefits are payable under this rider for the Elimination Period for Spousal Catastrophic Disability. The Elimination Period for Spousal Catastrophic Disability is shown on the Policy Schedule Page. If Your Spouse is Catastrophically Disabled under item 1 of the definition of Spousal Catastrophic Disability, this Elimination Period will be waived.

Hemiparesis means partial paralysis affecting both limbs on one side of the body.

Paraplegia means paralysis of the legs and lower part of the body.

Quadriplegia means paralysis of all four limbs.

Spouse's Age 67 means the first Premium Due Date that occurs on or after Your Spouse's 67th birthday.

Your Spouse means Your lawful husband, wife, domestic partner or civil union partner named by You on Your application.

| Spousal Catastrophic Disability Benefit | After the Elimination Period for Spousal Catastrophic Disability has been satisfied, and while Your Spouse is Catastrophically Disabled, We will pay You the Monthly Benefit for Spousal Catastrophic Disability shown on the Policy Schedule Page of Your policy. For the first 12 months for which benefits are payable for Spousal Catastrophic Disability, the benefit will be paid at 120% of the Monthly Benefit for Spousal Catastrophic Disability. These benefits will be paid until the earlier of:
| 1. The date Your Spouse is no longer Catastrophically Disabled; or
| 2. The date the Maximum Benefit Period for Spousal Catastrophic Disability, shown on the Policy Schedule Page of Your policy, ends. |

Recurrent Spousal Catastrophic Disability

If, after the end of a period of Spousal Catastrophic Disability, as described in item 3 of the definition of Spousal Catastrophic Disability, for which Spousal Catastrophic Disability benefits have been paid, Your Spouse becomes Catastrophically Disabled again, the later period of Spousal Catastrophic Disability will be deemed a Recurrent Spousal Catastrophic Disability, which is a continuation of the preceding period of Spousal Catastrophic Disability, unless:

1. The later period of Spousal Catastrophic Disability starts at least 6 months after the end of the preceding period of Spousal Catastrophic Disability; or
2. The later period of Spousal Catastrophic Disability is due to a different or unrelated cause.

If either 1 or 2 applies, the later period of Spousal Catastrophic Disability will be deemed a new period of Spousal Catastrophic Disability. A new Elimination Period must be satisfied before benefits start again, and a new Maximum Benefit Period will apply.

If the later period of Spousal Catastrophic Disability is deemed a Recurrent Spousal Catastrophic Disability, then it is not necessary for Your Spouse to satisfy a new Elimination Period. However, Spousal Catastrophic Disability benefits paid for a Recurrent Spousal Catastrophic Disability are considered a continuation of the preceding period of Spousal Catastrophic Disability and will be subject to the Maximum Benefit Period that started with the preceding period of Spousal Catastrophic Disability. If the Maximum Benefit Period had ended with respect to the preceding period of Spousal Catastrophic Disability, no benefits will be payable for a recurrence of that Spousal Catastrophic Disability.

No claim for Total Disability starting after two years from the Effective Date of this rider will be reduced or denied on the grounds that a Sickness or physical condition had existed, but not manifested itself, before the Effective Date of this rider unless, on the date the Total Disability starts, that Sickness or physical condition was excluded from coverage by name or specific description. |

**Definitions**

The following is substituted for the definition of Total Disability in Your policy:

"Total Disability or Totally Disabled means that due solely to Impairment caused by Injury or Sickness, You are:

a. Prevented from performing the material and substantial duties of Your Regular Occupation; and

b. Receiving appropriate care from a Physician who is appropriate to treat the condition causing the Impairment.

We may waive the requirement of care from a Physician if Your Physician provides documentation acceptable to Us that continued care would be of no benefit to You."

**Time Limit On Certain Defenses**

After two years from the Effective Date of this rider, no misstatements, except for fraudulent misstatements, made by You on the Application for this rider or the policy to which it is attached can be used to void this rider or deny a claim under this rider for a Total Disability starting more than two years from the Effective Date of this rider.

No claim for Total Disability starting after two years from the Effective Date of this rider will be reduced or denied on the grounds that a Sickness or physical condition had existed, but not manifested itself, before the Effective Date of this rider unless, on the date the Total Disability starts, that Sickness or physical condition was excluded from coverage by name or specific description.

**Definitions**

**Transitional Disability or Transitionally Disabled** means that due solely to impairment caused by Injury or Sickness, You are:

1. Prevented from performing the material and substantial duties of Your Regular Occupation, but You are Gainfully Employed in another occupation; and
2. Receiving appropriate care from a Physician who is appropriate to treat the condition causing the Impairment.

We may waive the requirement of care of a Physician if Your Physician provides documentation acceptable to Us that continued care would be of no benefit to You.

**Maximum Monthly Transitional Your Occupation Benefit** means:

1. The total of the Monthly Benefit for Total Disability shown on the Policy Schedule Page; plus
2. If included in Your policy, the total monthly benefit payable for the Social Insurance Offset Benefit.

If a Cost-of-Living Adjustment for Disability Benefits (COLA) rider is included in Your policy, then in computing Transitional Your Occupation benefits, We will substitute the Adjusted Monthly Benefit(s) for Total Disability, as defined in the COLA rider, for the Monthly Benefit(s) for Total Disability above.

**Earnings** means income or compensation, payable as remuneration to You, for actual services You perform; or for goods or services provided by a business in which You have an ownership interest. This term includes salary, fees, profits or losses, commissions, bonuses and other payment for goods or services, which You or Your business render or provide. Earnings are determined after deduction of normal and customary unreimbursed business expenses, but before deduction of any income taxes.

Earnings do not include:

1. Income from dividends, interest, rent, royalties, annuities or investments; or
2. Income from deferred compensation plans, formal sick pay plans, disability income policies, or retirement plans.

**Maximum Benefit Period for the Transitional Your Occupation Benefit** means the period during which the Monthly Transitional Your Occupation Benefit is payable. The Maximum Benefit Period for the Transitional Your Occupation Benefit begins after the end of the Elimination Period. Transitional Your Occupation benefits count toward the Maximum Benefit Period only while you are Transitionally Disabled. The Maximum Benefit Period for the Transitional Your Occupation Benefit is shown on the Policy Schedule Page, but benefits are not payable beyond the Maximum Benefit Period for Total Disability.

**Review Date** means each anniversary date of the start of a period of Disability or Transitional Disability.

**Index Month** means the June before the Review Date. The first Index Month is the June before the start of the period of Disability or Transitional Disability.
### Rider: Transitional Your Occupation Benefit (Continued)

**Prior Earnings** means the greater of Your average monthly Earnings for the three calendar years immediately prior to the start of Your Disability or Transitional Disability, or for the 24 months immediately prior to the start of Your Disability or Transitional Disability, provided there is financial documentation satisfactory to Us.

After the start of a period of Disability or Transitional Disability, Prior Earnings are increased each year, on the Review Date. The Prior Earnings will be multiplied by a factor equal to the CPI-U for the Index Month divided by the CPI-U for the preceding Index Month. The Prior Earnings in any given year will not be increased by more than ten percent (10%) and will not be decreased, but could remain the same. CPI-U means the Consumer Price Index for All Urban Wage Consumers for all items. It is published by the United States Bureau of Labor Statistics. If the CPI-U cannot be used or is not available, We will choose a suitable index to replace it. CPI-U will then mean the chosen index.

**Loss of Earnings** means Your Prior Earnings less Your Earnings for the month in which You are Transitionally Disabled.

**Other Disability Coverage** means all coverage and benefits payable to You for a disability provided by individual (excluding this policy), group or association disability income coverage. Business overhead expense, key person and buy-out disability coverage are excluded from Other Disability Coverage.

While You are Transitionally Disabled, We will pay a Monthly Transitional Your Occupation benefit. The benefit will be the lesser of:

1. The Maximum Monthly Transitional Your Occupation Benefit; or
2. Your Loss of Earnings minus benefits received from Other Disability Coverage for the month in which You are Transitionally Disabled, but not less than twenty-five percent (25%) of the Maximum Monthly Transitional Your Occupation Benefit, and will be paid in place of all other benefits for Total or Residual Disability.

The benefit paid while you are transitionally disabled in your occupation will be the monthly benefit for total disability (shown on the policy schedule page), subject to reduction as specified in this rider.

We will never pay less than 25% of the maximum monthly Transitional Your Occupation benefit.

**Minimum Benefit**

If the benefit that would be paid under the Monthly Benefit for Residual Disability exceeds the Monthly Transitional Your Occupation Benefit, the Monthly Benefit for Residual Disability will be paid in place of this benefit. Any month that the Monthly Benefit for Residual Disability is paid under this provision will not be counted toward the Maximum Benefit Period for the Transitional Your Occupation Benefit.

**Duration of Benefits**

Monthly Transitional Your Occupation benefits will be paid until the earliest of:

1. The date a period of Transitional Disability ends;
2. The date the Maximum Benefit Period for the policy ends; or
3. The end of the Maximum Benefit Period for the Transitional Your Occupation Benefit.

**Premium Refund**

If:

1. At the time the Elimination Period for this Policy is satisfied, the Maximum Monthly Transitional Your Occupation Benefit plus the monthly indemnities for Other Disability Coverage is more than ninety percent (90%) of Your Prior Earnings; or
2. Less than the Maximum Monthly Transitional Your Occupation Benefit is paid and the benefits received for Other Disability Coverage are greater than zero,

We will refund any premiums paid for this rider during the two years prior to Transitional Disability that have not been previously refunded.

After the first year of disability, there is a dollar for dollar offset if you are receiving legislated benefits.

**Legislated Benefits**

1. Social Security insurance benefits, or Disability income benefits under similar federal, state or local laws, including worker's compensation and occupational disease laws; or
2. Benefits under the Railroad Retirement Act; or
3. Benefits under the Civil Service Retirement Plan or any like program covering federal, state or local government employees.

**Social Security Insurance Benefits**

means the Disability benefit portion of the Old Age, Survivors, and Disability Insurance Act, also known as Social Security, as enacted or later amended by the federal Social Security Act.

**First Year of Disability**

means the 12-month period beginning on the first day of the Elimination Period.

We will pay this rider's monthly benefit shown on the Policy Schedule Page if:

1. The Elimination Period shown on the Policy Schedule Page for this rider has been met. If Your policy includes a rider for Presumptive Total Disability, then, for the purposes of this rider, the Elimination Period will not be waived for Presumptive Total Disability;
2. You are Totally Disabled; and
3. After the First Year of Disability, no Legislated Benefits are payable for such Disability.

After the First Year of Disability, for any month in which Legislated Benefits are payable for Your Disability, the amount payable under this rider will be reduced by subtracting the total amount of Legislated Benefits You are receiving from this rider's monthly benefit shown on the Policy Schedule Page. Once benefits are payable from Legislated Benefits, We will not reduce the benefit under this rider to reflect any increase in Legislated Benefits due to a cost-of-living adjustment.

If You receive Legislated Benefits as a lump sum payment, You must immediately notify Us of such payment. The lump sum payment (even if received in the First Year of Disability) will be prorated on a monthly basis over the time period for which the sum was intended. The monthly amount thus obtained, in addition to any other Legislated Benefits, will be subtracted from this rider's monthly benefit shown on the Policy Schedule Page to determine the amount payable under this rider after the First Year of Disability. This reduction will only apply to a period for which We have not yet made benefit payments under this rider. If the time period to which the lump sum payment applies is not specified, We reserve the right to make a reasonable determination.
Rider: Social Insurance Offset Benefit (Continued)

This benefit will end on the earlier of:

1. The date the Policy Benefit ends;
2. The Premium Due Date on or after Your 67th birthday, for Disability starting before Your 63rd birthday, or the applicable period determined from the table below, for Disability starting on or after Your 63rd birthday.

If, after We start paying benefits under this rider, Legislated Benefits are approved and You receive a retroactive payment, You will not have to return any payments We have already made.

3. Brought a civil action in the United States District Court.

We will not pay the attorney fee benefit for services provided before:

If Your policy has a Residual Disability Benefit rider, You may qualify for a benefit under this rider that is adjusted for Residual Disability, if:

1. The Elimination Period shown on the Policy Schedule Page for this rider has been met; and
2. You are Residually Disabled.

If You qualify, Residual Disability benefits will be calculated for this rider, as described in the Residual Disability Benefit rider, except that We will substitute the monthly benefit for this rider shown on the Policy Schedule Page, less any Legislated Benefits payable after the First Year of Disability, for the Monthly Benefit for Total Disability.

The Term Premium Conversion rider allows you to purchase all or a portion of the Total Disability Benefit with premium rates that are initially less than the rates for Level Premium coverage.

### Definitions

- **Term Monthly Benefit**: means the portion of the Monthly Benefit for Total Disability that is payable with Term Premium. The Term Monthly Benefit is shown on the Policy Schedule Page.
- **Term Premium Period**: means the period of time after the Effective Date of this rider before the Scheduled Annual Term Premium is scheduled to change. The Term Premium Period is shown on the Policy Schedule Page.
- **Term Premium**: means the portion of the Premium that is scheduled to change after the Term Premium Period.
- **Level Premium**: means premium that is not scheduled to change until the first Premium Due Date on or after Your 67th birthday.
- **Scheduled Annual Term Premium**: means the annual premium for the Term Monthly Benefit, together with the annual premium for the portion of any optional benefits payable with Term Premium. The Scheduled Annual Term Premium is shown on the Policy Schedule Page.
- **Final Conversion Date**: means the final date that You may convert the Term Monthly Benefit to a level premium basis. This date is shown on the Policy Schedule Page.
- **Converted Level Premium**: means the Level Premium for Your policy that would be payable until the first Premium Due Date on or after Your 67th birthday if the entire Term Monthly Benefit is converted to a level premium basis. Converted Level Premiums are shown on the Policy Schedule Page.

### Conversion Privilege

On any anniversary of the Effective Date of this rider that occurs on or before the Final Conversion Date, You may convert all or part of the Term Monthly Benefit to a level premium basis. When all or part of the Term Monthly Benefit is converted to a level premium basis, the proportional amount of premium for any optional benefits paid with Term Premium is also converted to a level premium basis. Optional benefits paid with Term Premium can only be converted to a level premium basis by converting all or part of the Term Monthly Benefit.

### Example 1:

If the Term Monthly Benefit is $10,000 per month and the entire amount is converted to a level premium basis, 100% of the premium for any optional benefits payable with Term Premium would also be converted to a level premium basis.

### Example 2:

If the Term Monthly Benefit is $10,000 per month and $6,000 (60%) of the Term Monthly Benefit is converted to a level premium basis, 60% of the premium for any optional benefits payable with Term Premium would also be converted to a level premium basis.

No evidence of insurability will be required to make a conversion.

When all or part of the Term Monthly Benefit is converted, the Level Premium charged for the converted benefits will be at the Level Premium rates then in effect for this policy, at Your age on the effective date of the conversion and for Your class on the Effective Date of this policy. The minimum amount of the Term Monthly Benefit that may be converted is $300 per month and must be a multiple of $50, unless the remaining amount of the Term Monthly Benefit is less than $300 or is not evenly divisible by $50.

### How to Convert to a Level Premium

If You wish to convert all or part of the Term Monthly Benefit, You must send Us Written notice of the amount You wish to convert. Your notice must be received by Us within the 60 days before the anniversary of the Effective Date of this rider on which You wish to convert. Upon conversion, We will issue a revised Policy Schedule Page showing the new Premium.
